

# Blue Veil

## Thank you for your support!

As part of our plan to promote our faith and reach out to today's youth, through our music, Blue Veil Band is proud to offer their second Music CD "Sounds of Christmas".

Blue Veil is made up of a group of brothers. Each member has a strong voice in the creation of their music. Their diverse musical voices blend to form one great sound. A sound that is as progressive and dynamic as their history.

In the past few months alone, Blue Veil has performed for over 10,000 young people reaching them with their music. The songs on their Christmas CD are a creative blend of traditional and original Christmas songs, such as *Mary Did You Know*, *Christmas Shoes* and *Drummer Boy*, to name a few. All the songs have a positive message that everyone can relate to, hum to or sing along with the lyrics.

To help with the cost of producing the CD, Blue Veil is launching a Nativity Ornament Fundraiser. Each ornament is **HANDMADE** and the uniqueness of each ornament reflects how we are all unique in the eyes of God. It is largely through donations and fundraisers such as this one that allows Blue Veil to continue to exist and spread their message of

faith. Together, let us help the youth truly encounter the Lord through this unique and powerful Music CD.
