May 9, 2006

We wish to highly recommend Blue Veil Ministry to anyone interested in "Embracing the Light" of God with their wonderful music. They are a Christian music group that offers Musical Spiritual Retreats to elementary and secondary school students.

Blue Veil performed for our students on our Faith Day this past April and they entertained and taught our students about the greatness of Jesus through the language of music. They provided a positive environment for our students to reflect on and strengthen their beliefs in God. We brought Blue Veil back to play for our school community on our Family Faith Night in May and we received wonderful feedback from all the parents. All were greatly impressed and encouraged by their uplifting performance.

Should you wish a further recommendation please feel free to call the school and a Council member will get back to you.

Yours Sincerely,

Sue Sandrin
Corpus Christi School Chair
